

StandardAIse

Artificial Intelligence within your organisation's reach.

An AI-Powered, Human-Validated Standardisation Landscape Hub.

standardaise.eu

WHAT IS STANDARDAISE?

StandardAIse is an ***initiative*** designed to ***simplify*** and ***accelerate*** the integration ofstandards through ***Artificial Intelligence (AI)***. We empower organisations to turn standards into effective action.

WHAT IS OUR GOAL?

We aim to ***leverage*** the use of AI to ***establish the adoption of standards***, ensuring that any anyorganisation can use these technologies ***ethically***, ***efficiently***, ***securely***, and in full compliance with market regulations.

OUR PARTNERS

Built with collaboration across teams and expertise.

We are proud to work alongside a **network of dedicated partners** and **organisations** who share our vision and commitment to creating meaningful impact.

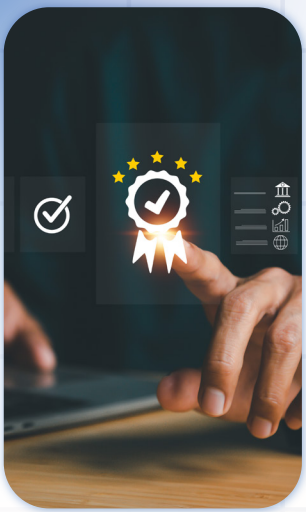

EWF · LMS Laboratory for Manufacturing Systems & Automation · Fraunhofer IPA · Brunel University of London · Small Business Standards · KnOwence · helixconnect

PROJECT DURATION: 24 MONTHS

The StandardAIse Hub

More than just a project, we are a meeting point! ***Our Digital Hub*** is the core of the initiative, bringing together ***experts***, ***academia***, ***researchers***, ***organisations***. It is the ideal space to ***collaborate***, share ***resources***, get ***knowledge*** and ask questions about standards.

Benefits for SMEs:

We know ***Small and Medium-sized Enterprises (SMEs)*** face unique challenges. By joining the standardAIse project, ***your SME*** will gain:

- **Simplified Access:** Ready-to-use standardisation knowledge and tools, without needing a dedicated team.
- **Reduced Costs & Risks:** Ensure that developed solutions comply with the applicable standards, avoiding costly investment mistakes.
- **Increased Competitiveness:** Automate repetitive tasks, optimize processes, and free up your team for what truly matters.
- **Security & Trust:** Adopt trustworthy AI that complies with industry best practices and European standards, protecting your organisation and data.
